28 **STIPULATION**

29 Plaintiff United States of America, by and through its counsel of record, and defendant, by and  
30 through defendant's counsel of record, hereby stipulate as follows:

31 1. By previous order, this matter was set for status conference on March 15, 2023.

32 2. By this stipulation, defendant now moves to schedule a change of plea hearing on March  
33 27, 2023, which will take place after the period of excludable time. The parties therefore move to have  
34 the change of plea hearing scheduled for March 27, 2023 at 10:00 a.m., and to exclude time as to  
35 defendant Amanda Gourley through March 27, 2023 for the reasons set forth below.

36 3. The parties agree and stipulate, and request that the Court find the following:

37 a) The parties have entered into a plea agreement.

38 b) Counsel for defendant desires the status conference date be vacated so that a  
39 change of plea hearing can be set in order to facilitate a resolution in this matter.

40 c) The government does not object to the continuance.

1                   d)     The earliest convenient date for both parties and the Court is March 27, 2023.  
2                   e)     Based on the above-stated findings, the ends of justice served by continuing the  
3                   case as requested outweigh the interest of the public and the defendant in a trial within the  
4                   original date prescribed by the Speedy Trial Act.

5                  4.     Nothing in this stipulation and order shall preclude a finding that other provisions of the  
6                   Speedy Trial Act dictate that additional time periods are excludable from the period within which a trial  
7                   must commence.

8                  IT IS SO STIPULATED.
